Message from the President

As we reflect on our second year as the Rural Riley County Community Foundation, I am proud of the steady progress we are making together. What began as a shared vision has grown into a trusted organization committed to strengthening our Rural Riley County communities, today and for generations to come.

This past year has been one of building momentum. With the continued leadership of our dedicated board and the generosity of community members, we were able to support local efforts and strengthen community giving.

Match Day once again reminded us of the power of coming together for a common purpose. The support we received affirms that this event can continue to grow and become an important fundraiser for local organizations. While growth takes time, the commitment we see from our community gives us great confidence in the future.

We are thankful for everyone who believes in giving locally and supporting Rural Riley County. Your involvement makes a real difference.

Jenny Anderes, *Rural Riley County Community Foundation, Board President*
